## **Adult Day Care Centers of Las Vegas & Henderson**

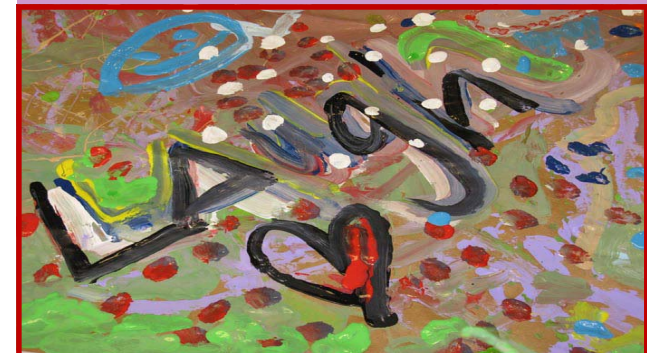

*Nevada Senior Services*

**Dedicated to  
Community Living with  
Independence and  
Dignity**

**Honoring Our Fathers  
and Our Mothers**

## Enriching Lives:

Keeping a loved one at home as long as possible is a goal that many of us share. We strive to become an extension of your home environment with caring, personalized service, helping avoid or postpone institutional admission by bridging the gap for caregivers with compassionate, professional respite care.

## The Adult Day Care Centers provides help to caregivers:

- A respite from 24 hour responsibility
- An alternative to expensive in-home care
- The ability to keep your loved one at home longer
- The assurance your loved one receives nursing supervision and social interaction

**Adult Day Care Centers of Las Vegas & Henderson are committed to a Community of Caring**

**Extended Open Hours**  
**Monday - Friday, 6:30am to 6:30pm**  
**Sat. 8-6 (Las Vegas Center only)**

## Our Centers provide a comprehensive program that features:

- Diverse activities, entertainment and recreation programs all designed to renew enthusiasm for life
- The chance to develop new friendships in a stimulating and supportive environment.
- Supervision and care for all day in a specially designed environment of safety and comfort
- Individualized care by a well-trained, concerned team of professionals
- Availability of kosher meals

**Call us now about helping you care for your loved ones and schedule your appointment to tour our facilities**

**(702) 648-3425 Las Vegas**  
**(702) 368-2273 Henderson**

## Our Adult Day Care Services are designed especially for:

- The physically frail
- Those with cognitive problems such as dementia, confusion, and Alzheimer's disease
- Those with special medical needs such as diabetes or hypertension
- Those with neurologically related problems such as Parkinson's disease, MS, post-stroke, or traumatic brain injury

## An Individualized Care Plan:

Each of our participants have their own comprehensive, coordinated treatment plan, developed in consultation with the participant's private physician.

Our well-trained, team of professionals includes:

- Nurse
- Social worker
- Activity specialist
- Certified nursing assistants
